New Life Presbyterian Church Senior Pastor Search

Our beloved Senior Pastor, Ted Hamilton, will be retiring from his pastoral duties at New Life Presbyterian Church on June 30, 2026, after twenty-five years of faithful service in this role. We are grateful for his unwavering commitment to faithfully preaching God's word and his and Linda's tireless dedication to our congregation.

The Session of New Life (the Board of Elders) has been prayerfully considering and planning for this transition for years. As part of that process, the New Life congregation voted on September 14, 2025, to elect the New Life Session as the Pulpit Committee in accordance with the Presbyterian Church in America's Book of Church Order. Once the Pulpit Committee has selected a candidate, the congregation will be given the opportunity to hear the candidate preach and become acquainted with him and his family before a congregational vote on the candidate.

The following groups have been created to assist the Pulpit Committee in the search process:

- Search Committee – composed of two elders, one deacon and six other individuals from our congregation who are tasked with the responsibility of promoting the pastoral position (on New Life's website, other ministry job posting websites and personal interactions with potential candidates), soliciting recommendations of candidates, reviewing applicants and interviewing candidates for recommendation to the Pulpit Committee
- Sermon Review Team – composed of five elders, seminary professors and others from our congregation who are tasked with reviewing select candidates' sermons and providing feedback to the Search Committee
- Transition Committee – composed of members of our congregation who are tasked with the responsibility of celebrating and honoring Ted and Linda's tenure at New Life and assisting with the transition of the new pastor and his family
- Prayer Team – composed of one elder and members of our congregation who are tasked with praying for the Search Committee each time they meet and regularly on the second Sunday of each month, immediately after the worship service
- Pulpit Supply Committee – composed of three elders who are planning and recommending to the Session a schedule of pastors to fill the pulpit during the interim transition

While the search process has been formally underway since the Fall of 2025, it is now reaching a critical stage as the Search Committee is actively interviewing candidates who have applied. Please be praying for this process as we seek to discern the Lord's will regarding the selection of our next senior pastor.
